

The Second Annual Swift Solo NA Regatta and Spring Training Camp

Fort De Soto Park, Pinellas County Florida

April 14th to 22nd 2006

The International Swift Solo Class Association is excited to announce the upcoming Swift Solo North American Championships Regatta and Spring Training Camp on the picturesque shores of Fort DeSoto Park in Pinellas county Florida. As many of you already may know Fort DeSoto Park boasts some of the nations finest beaches and surrounding attractions and is a comfortable and inexpensive place to camp out and to sail. It features a lot of open water, very limited motor boat chop, easy beach and ramp launching and plenty of grass on which to park and rig.

This will be the second year that we return to this wonderful venue for our annual spring training camp and championship regatta and we have kept regatta format similar to last years very successful event. The annual Class general meeting will also be held during the regatta portion of the event. Please note that class rule changes will be discussed at the AGM and will come into effect after the meeting and we recommend that you check the proposals and the executive invites all class association members to attend the AGM

Venue: This year we will look forward to improvements at our launch site and greater efficiency in the launching and recovery process. With the permissions of the park superintendent and staff we intend to move the main racing area slightly to the east and we believe that this new course, with no commercial shipping crossings, will increase safety and enjoyment for competitors and spectators alike.

Camping is available within the park and is encouraged. The camp sites are serviced and attractive and there is plenty of things for kids to see and do. We encourage you to bring the whole family along. Campground reservations fill early for the available spots and the electronic booking process starts taking bookings as early as October 2005. First come, first served. Additional accommodation can be found in the local area and close by in Pinellas county.

Class member comments from last year's Regata and training Clinic.

"The whole experience was incredible, especially the team spirit under tough weather conditions."

"My expectations were exceeded. It was a fantastic experience and great fun too!"

"I had a fabulous time. The natural thrill of being at sea on an amazing boat and enjoying the company of my new mates were major highlights."
